Who are we ?

Mustaqar is an architectural company and one of **ALTAAWIN** Company's investments. It specializes in architectural design, interior design, and project management.

People

We design an environment that **brings out the best in people and places**

Returns

We work to **increase returns** and place value by creating added value

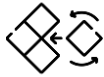

Efficiency

We contribute to **reducing** construction and operational **costs** through design

Why Mustaqar ?

There are Many reasons to choose **Mustaqar** with no brainer, and here some of them .

Modular designs that accept modification and adapt to changes

Designs **ready to Build** in less than 15 days

Saving at least 30% by using modern construction techniques

Navigate inside your home using **VR technology**

Modern Elevations that combine beauty, culture and simplicity

More than **30 professional** practicing specialist **designers**

Over **50 quality standards** are applied to our designs

BOQs and designs are **compatible with the construction budget**

Vision

To be the first reference in design, architecture and urban landscape development, and enable the architectural renaissance in the Kingdom by 2030.

Mision

Developing and building an environment that transports people to the future now.

“The human being is the building block of society and the foundation of its progress, and the place in which he is found directly affects his performance. Therefore, we seek to design an environment that brings out the best in the human being.”

Faisal Alobaid
Founder & CEO
